## GURU-POORNIMA CELEBRATION

### GPS

Guru Purnima is an occasion when the devotees pay homage to their Guru, a day which reminds us about the devotion of Eklavya and Dronacharya. This very day was celebrated with great enthusiasm and spiritual spirit in Gujarat Public School. A 'Hawan' was organized for students and teachers. Devotees from Iskon temple rose the spirit of the entire school. They sang and danced on the Bhajans. The students also energetically danced and cheered to their tune. Founder chairman of BRG Group Shri Bakulesh Gupta, Smt. Lataben Gupta, Managing Trustee, Gujarat Public School and Mr. Sargam Gupta, MD, BRG Group spent their precious time with the students and blessed them on this occasion.

### URMI SCHOOL

A day exclusively dedicated to spiritual and academic teachers commonly known as Guru, was celebrated by Urmi School Sama on the occasion of Guru-Poornima. The Students performed some breathtaking dance performances which left the audience in a state of bliss. The programme commenced by the recital of 'Guru Paduka Stothram' and by invoking the blessings of almighty - followed by the traditional lighting of the lamp. The honourable chief guests present on this occasion were Mr Uravbhai Patel (PTSI Pvt Ltd), Mr Sudhirbhai Shah (Architect) and Mr Kiribhai Patel (Architect). The BRG Group Chairman - Mr Bakulesh Gupta, MD - Mr Sargam Gupta, Trustee - Mrs Lataben Gupta, Urmi School MD - Mrs Radhika Nair and Dance Wonder - Mrs Rema Shrikant honoured the occasion with their presence. The variety and sequences of dances were well choreographed and well performed. The dancing hearts of Urmi dressed in colourful attires, danced to the music of some wonderfully selected dance songs

and themes. Guru-Poornima is the pure full moon day of the Hindu calendar month of ashadh (usually coincides with July of the English calendar). This day is celebrated every year to express gratitude unto the Guru Principle. The ArchGuru, Sage Vyas (founder of the Guru-disciple lineage), is worshipped on this day. This festival is the greatest festival in the life of a seeker. Of course, even this celebration in gratitude to the Guru is done for the seeker's spiritual progress, since the Guru is a manifest form of The Lord Himself. The Guru Principle is a thousand times more active on this day than on any other through out the year. Under the pretext of this celebration, the festival provides an unmatched opportunity to progress spiritually through service and sacrifice unto the Truth. That is why seekers and Disciple participate in this mission for the Truth with all their body, wealth and mind. The Guru's energy of initiation (anugraha) itself is the universal energy of the Guru principle. This energy is transmitted from the Guru to the disciple.

## PATH OF DIVINE LIFE

It is always advisable to live a healthy, positive and an energetic life. Gujarat Public School in association with Path of Divine Life organized a healing camp in our school. Students of Std-8th to 12th were briefed by Swami Karthikeya, how to develop their memory power through powerful and natural meditation techniques, without the limitation of caste or creed. A special session for the teachers was also held. The essence of the session revealed a path of oneness of the body & mind, which when practiced would help one to achieve the desired results.
