

RELIANCE SCHOOL (ENGLISH MEDIUM) A REPORT ON GROUP DISCUSSION

“HEALTHY GROUP DISCUSSIONS YIELD SUCCESSFUL RESULTS BUT ARGUMENTS YIELD CHAOS”

We, at Reliance School English Medium offer different opportunities to our students for their all round development in School. This year we triggered our activities by the Group Discussion. The students from Faculty of

Technology and Engineering, M.S. Univ. under the techfest-PARAMARSH, has taken an initiative this year, to spread awareness for “Group Discussions” at the school level. We also agree that healthy GDs must form a core segment of

the FORMATIVE Assessment of our students. Soft Skills development must be the top priority while discussions. Our Secondary and Higher Secondary students were offered a DEMO of a GD. by the PARAMARSH team of students and

the jury comprised of Mr. Kazi and Mrs. Sunanda Bhave. Two students namely Hetakshi Patel AND Shirali Vyas from class X were selected to participate in the inter school competition of GD at the TECHFEST 2013.

RELIANCE SCHOOL (ENGLISH MEDIUM) PARENTS' MEETING FOR NEW SEMESTER SYSTEM - (STD XI SCI)

22nd June 2012, a parents' meeting of this class was arranged on 30th June 2012. The meeting started with the address by our AHM Dr. Fr. C.P.Varghese, who gave a brief introduction about the school profile since its inception, the general disciplinary norms expected to be followed strictly by the students, wherein he emphasized about the Safety rules and the step taken by the school for the safety of the students in the school. The main agenda of the meeting was orientation of the parents pertaining to the semester system; newly introduced by the GSHEB last academic year in Std. XI SC. Along with this, the teachers, who teach various subjects in this class, were also introduced to the parents.

The main aim was to develop a rapport between the teachers and the parents, for a co-operative approach and the progress of the students. The parents were explained in detail the pattern of exams which would be conducted by the Education Board, twice a year both in Std. XI & XII Science Stream. They were also made aware of the rules and regulations as prescribed by GSHEB with regards to the attendance, re-appearing in the exam if any student needs improvement, and all other related aspects. This was presented in form of a power point presentation. The meeting ended with an open discussion session wherein the parents clarified their doubts regarding the semester system.

TRUTH

ધર્મની વાતો કહીને, ધર્મના કાર્ય કરાવીને,
ધર્મની રૂઢિઓનો વેશ પહેરાવીને આપણે
કદી બાળકને ધર્મી બનાવી શકવાનાં નથી
ધર્મ કોઈ પુસ્તકમાં નથી કોઈ ઉપદેશમાં નથી
ક્રિયાકાંડની જડતામાં નથી
ધર્મ તો મનુષ્યના જીવનમાં જો શિક્ષક અને
મા-બાપ પોતાનું જીવન ધાર્મિક રાખશે
તો બાળકને ધર્મનું શિક્ષણ મળી રહેશે.

Dharmik Gujjar (Urmi School)

Fact File

- ▶ Do you know that a new-born baby has more than 2,000 million cells?
- ▶ Certain non-living things like crystal may show apparent growth this growth can be rehearsed unlike the growth in living things, which is irreversible.
- ▶ Why are leaves reduced to spines in a cactus plant? Being a xerophytic plant, this modification helps to reduce water loss from the plant body.
- ▶ Flowering plant with no bat-dodder (Cucuta)
- ▶ Largest leaf-giant water lily, Victoria regal, more than 1 metre in diameter.
- ▶ Smallest flower-Duckweed, wolffia, only about 0.5 Millimeter in diameter.
- ▶ Largest Flower –Rafflesia grows in Indonesia, nearly 1 metre in diameter.
- ▶ When we are born we have more than 300 bones in our

- body. By the time we have grown up, there are about 208.
- ▶ Dog is the first animal who went to space.
- ▶ The world's most massive tree-the General Sherman giant Sequoia in sequoia national park, USA It weighs 2000 tones. It contains enough wood to make 5 billion matches.
- ▶ Flowering plants have been found growing at the height of 6,400 meters in the Himalayan Mountains.
- ▶ A record-breaking rose tree is Arizona, USA, is so huge it has to be held up by ports and piping. 150 people can sit beneath its blooms.
- ▶ Voyager 1 (USA) and Voyager 2 (USA) flew past Jupiter in 1979 Saturn in 1980 (Uranus in 1986) (Neptune in 1989) of Voyager 2.

LIFE!
What is this life if, full of care,
We have no time to stand and stare?
No time to stand beneath the boughs.
And stare as long as sheep or cows?
No time to see, when woods we pass,
Where squirrels hide their nuts in grass?
No time to see in broad daylight
Streams full of stars, like skies at night?
No time to turn at beauty's glance.
And watch her feet, how they can dance?
No time to wait till her mouth can
Enrich that smile where eyes began?
A poor life this if, full of care,
We have no time to stand & stare.
